

Resurrection the 1st Day of the week

Saturday 6 PM to Sunday 6 AM

Jesus rose from the dead after dusk at the end of Sabbath but before dawn of the 1st day of the week:

This would have been between 6 PM Saturday & 6 AM Sunday by our pagan, gentile reckoning of days, but **NOT** a “*sabbath resurrection*”.

Dusk Saturday to Dawn Sunday for the Gentile is actually the first 12 hours of the 1st Day of the Week by the Jewish, Biblical reckoning of days.
